Brown Academy, A School of Innovation, is located on the corner of UTC's campus in the heart of downtown Chattanooga. Students at Brown have the opportunity to expand their learning through Robotics, STEM, and the Arts in their state-of-the-art Center for Innovation. The Center includes robotics, digital fabrication lab, laser cutting, 3D printing, maker space, coding, and more. The Center for Innovation also partners with the UTC School of Education to provide a learning lab for aspiring teachers to experience the most current practices and tools within a dynamic school environment.
