

# Retail chains

What we love most about our retailer providers is that most offer evening and weekend hours for extended service for members. People are busy – we get it. That’s why we provide vision benefits that are easy to use, flexible and convenient. We have the right mix of independent providers, plus the most desired national and regional retail providers, ensuring your employees have the choice and convenience they expect:

Retail providers are conveniently located in or nearby major shopping centers and offer longer hours on nights and weekends. Many even have on-site labs so members can get their glasses in about an hour or during the same day.

Members may locate a provider using the provider locator function on our website at [eyemed.com](http://eyemed.com) or by calling **1.866.9EYEMED**.
